Hi Family,

Well all is well out here in Democratic California. School is going as well as can be expected and my golf and bowling are keeping me in shape so that's it.

I'm about to put in for augmentation so that is the big thing this week; physical etc.

What is happening around your neck of the woods? Here it is more exciting than around here. Are you having black outs and all that because of the Cuban crisis? I would it be surprised, and from what I can get from the papers etc. it might not be such a bad idea.

Boy you should have seen the moon over the bay two nights ago. The most

beautiful sight. I think I have ever seen.  
It was a beautiful clear night, and the full  
moon shone down on the bay leaving a yellow  
path across the water. Really lovely.

Hey, how about sending the yellow Kimono  
to Weera so I can give it to her for Christmas. I  
think it is in my drawer. Maybe there is something  
else that you think would be better. Let me know  
what you think OK.

Wish I could be home for Thanksgiving  
but I guess I can wait for Christmas. I guess  
I'll have to wait I.

Lots of love,

P.S. Nice stationary

JUH.
